

REMARKS

The instant application is the U.S. national phase of the corresponding PCT application, which initially was filed abroad. Accordingly, Applicants amend the application herein to better conform the application to U.S. patent practice.

Amendment to the Specification

Applicants have amended the specification to claim benefit of an earlier filing date and cross-reference related applications under 37 C.F.R. § 1.78. Applicants submit that no new matter is introduced by this amendment.

Entry of the foregoing amendments is respectfully requested. Applicants respectfully submit pending claims 1-26 are in condition for allowance and request an early favorable action.

Respectfully submitted,

Date: 4/27/01
